# ACTION MEMORANDUM

## OFFICE OF THE DIRECTOR

Action Memorandum No. A-126

Date 11 February 1963

TO : Deputy Director (Intelligence)

SUBJECT : Unusual construction at Cayo Frances

REFERENCE:

1. The Director called me early yesterday morning prior to his departure for Europe and asked me to pay particular attention to the photo analysis problem of interpreting the construction presently being undertaken at Cayo Frances. He suggested the desirability of getting people such as [redacted] and 25X6 others to assist and felt that possibly some of General Blake's activities in NSA might provide some collateral clues.
2. I told him I would have OSI get right on it, and in addition would utilize whatever competence in this field appeared available from DD/R and DD/P.
3. Please take appropriate action accordingly and try to come up with something prior to the Director's return on 17 February.

/S/

Marshall S. Carter  
Lieutenant General, USA  
Acting Director
